

Lucky Hens Rescue

North West

We are based in Hindley Wigan.

LuckyHens Rescue is a small non-profit Community Interest Company. (C.I.C) which re-homes 'spent' Commercial Caged/Barn Hens as pets.

We always try to have hens available for re-homing, so please get in touch if you can give an Ex-Caged/Barn Hens a second chance & loving home and they may reward you with fresh eggs daily!
